Dear Parishioners,

Happy Birthday to our church. The present Sacred Heart church and rectory were built in 1959. So that makes us 50 this year. The parish itself dates back to 1889, so we are 120 years old as a parish. And we have been here on the present grounds since 1929.

Through the years the parishioners have been generous in their support of the parish. This past year was no exception. During tough economic times our ordinary income rose by almost 8%. Thank you. See below for all the good things happening as we celebrate birthdays. See the other side for the parish financial report

Gratefully in Christ,  
Fr. Harry Grile, C.Ss.R.
